## **OXFAM AUSTRALIA CHRISTMAS TREE PROJECT**

Where: Scout Hall, Pakenham Street, Blackburn (Melway Map 47 H 12)  
When: Saturday, 6 December  
Time: **8.00am sharp**

You will be given a very well organized list of addresses with Melway grid references, all in close proximity to each other. All you do is drop off the tree that has already been paid for. The smiles you receive from the younger recipients would be second only to that of them greeting Santa Claus. It will take each team 1 to 3 hours, and we encourage you to meet for a BBQ or social get together before or afterwards.

We encourage members to give up a few hours of their time for this great cause.

Contact: Tim Axtell, Trip Co-ordinator VFWDC to advise your availability.

## PRESIDENT'S REPORT

Hello and welcome to another month of *Free Wheeling*.

First up I would like to mention that the November General meeting is to be held on the 2<sup>nd</sup> Tuesday of the month due to the Melbourne Cup. This year we are holding this meeting at Aussie Disposals, Cnr Pound Road and South Gippsland Highway, Dandenong. They will have some special discounts available to us on the night and some BBQ snack in their courtyard during the break.

Last week I attended the first part of the First Aid Training course that we are running. Andrew from Stitches First Aid did a fantastic job and I would highly recommend him to anyone. If there is enough interest, drop me an email and we can run this course again in the first half of the coming year.

The weather is on the improve and we are heading into our busiest few months as far as trips go. As always we are keen for other people to put their hand up to run trips. There are a lot of experienced Club members out there that are more than willing to help you out with the details and organisation of this. There's not too much involved, you get to go where you want to go, you keep out of the dust and you won't have to write the trip report, what more could you ask for.

We have some great trips coming up, from fishing to touring and our annual Christmas Party. I would like to point out that the Oxfam Christmas Tree delivery is coming up shortly and is a very worthwhile event to get involved in. We normally have a great turn out to this but numbers were down last year. Usually you would be finished within a few hours, put some smiles on kid's faces and help raise a significant amount of money for a great charity. If you would like to know more about this, come and talk to Tim at the next meeting.

Until we meet next, take care.

*John Partridge*

## Minutes of the General Meeting – 7 October 2008

The meeting was opened at 8:15pm by President John Partridge.

Instead of volunteers for tea duties, two people were nominated: Ian Webber and Bill Harwood.

Present: There were 22 members present as per the attendance book.

Apologies: Jill and Steve Boyle, Ian Warburton, Paul Ryan, Gary and Paula Johnston, Mark Felton.

Visitors: Sally and Mick Harris.

Minutes of Previous Meeting:

Accepted: Phil Griffith

Seconded: Graeme Lyne

Matters Arising:

Secretary's apologies for last month's minutes having Ian Warburton as seconding the previous minutes. The correct person was Ian Webber.

Term Deposit: \$6,076.00

Closing Balance: \$9,093.41

Accepted: Nick Johnston

Seconded: Shane McNeil

**Trip Co-ordinator's Report:**

**Trip Reports:**

**Gembrook:** A few members met at the big servo 30km out of Pakenham. Then we headed into Bunyip State Park. Under some guidance from the map we had missed our turn off, tried a short cut over Gentle Annie, we didn't go very far before Nick got stuck so we turned around and found another way. Finally met Parks Vic ranger Andy around 10:30am and the only job left to do was rubbish removal. Other 4x4 clubs were 3<sup>rd</sup> Rock and Vic Crawlers. We headed along the main road, jumping out on a few occasions to clean up, then we came across Nash Creek Camping Area where we had a really good clean up. Tried to go up a few tracks; they were a no-go. We saw a Disco going up the hills backwards; Shane was busting to do a recovery and got the chance to with a Lancer at the bottom of a ravine. James from

3<sup>rd</sup> Rock thanked our Club for participation. Parks Victoria looking at possibly placing barriers around bottom of power line.

*If you your name is on the attendance list and you cannot attend a trip, make sure notify the Trip Leader.*

**Annual Wine Trip** - This will be a social trip. The trip will take place around the Heathcote area. On Saturday night there will be a communal dinner where everyone will bring a plate of food for dinner and happy hour.

**4x4 Fishing Show** - Our Club was sent some half price passes for entry to the show. The show is at the Melbourne Exhibition Centre Southbank from Thursday 23 to Sunday 26 October 2008. Opens Thursday at 12 midday to 9.00pm; Friday 10am to 9pm, Saturday 10am to 7pm, and Sunday 10am to 5pm.

**Farm & Lifestyle Expo** - at Pakenham Racecourse - apparently great hamburgers in main area.

**Toolangi Hard Trip** - This weekend is only for the experienced drivers. Your vehicle needs to be set up. If you're still interested in going please contact trip coordinator and will sort out an arrangement to travel with somebody else. We want to tackle some of the hard/steep tracks.

**Melbourne Cup Weekend** - The plan is to head towards Omeo - not Haunted Stream as this may be closed. We will have a base camp at the Omeo caravan park, so for a change and comfort bring your trailers and caravans.

**Annual Fishing Trip** - Heading towards the Jamieson area, but definite details will follow closer to the date.

**Christmas Party** - There will be \$12.50 entry fee for adults, kids free at the Healesville Hedgend Maze; Santa will be visiting, BYO BBQ lunch; well worth going to this event.

**Oxfam Christmas Tree Delivery** - In last month's newsletter - in the Christmas tree project letter - the start time was listed as 11am. Please note that 11am is

too late. We need to be there at latest by 8am at the Scout Hall, Pakenham Street, Blackburn. Highly recommended event just to see the kids' faces when their Christmas tree is delivered. You can even add to the atmosphere by dressing up both yourselves and your vehicle with decorations.

#### Association Report:

Last month was the Four Wheel Drive Victoria Annual General Meeting. Michael Coldham continues on as President. Big news of the North-South pipeline will affect some 4x4 tracks in its path; there will be investigation as to which ones.

#### General Business:

- The library is making a return 'smaller and better'. Shane has volunteered to take on the role and everyone is needed and can help by returning borrowed items and signing the library log book.
- Pajero Club have had a clean up and have found a lot of our old newsletters and asked if we would like them back, we said yes and Ashley would drop by and collect them. There's the possibility of scanning the old newsletters and storing them electronically and making them available through the library.
- Trip reports: Could all members please adhere to the newsletter deadline of the 20<sup>th</sup> of each month. It makes it easier for you to write the report when it's still fresh in your mind and is a lot easier for the newsletter editor.
- There's some bad news on King Hut which has been burnt down and was only found out by aerial surveillance. Parks Victoria doesn't know how or why but would like to find out.
- Noel Lees had put out a press release on our Lone Graves Working Bee at Toombon - July 2008. A newspaper in the Gippsland area selected the press release and ran an article. From this, Christina Shaw's granddaughter got in contact with Noel Lees and Noel was able to take her up to the cemetery and see all the work we had done. Personally I felt good when I participated on the weekend and now I feel even better from hearing this good news.
- "MOVEMBER" is coming up next month. There are a few members participating and looking at entering as a team. Anybody else interested???
- Club forum: Shane needs to just add some information to the website and see how it reads; the next step is to put it into action and have a 'trial period' to see how it all works.

**Tea Duties:** No tea break as not many people at meeting.

#### Raffle:

- 1<sup>st</sup> Prize: "Bling" Tow Hook - won by Bruce.
- 2<sup>nd</sup> Prize: Thermos Flask - won by Michael.
- 3<sup>rd</sup> Prize: Dozen Eggs (donated by Tim) - won by Steve.

Members please don't forget November meeting a mystery - details will be in newsletter and will be held in the second week because of Melbourne Cup. And don't forget the weekend trip to Omeo.  
Meeting Closed: 10.00pm

**Next Meeting:** Will be held on 11 November 2008.

## CLUB KITCHEN

### EASY BAKED BEANS PIE

#### Ingredients

2 tablespoons oil  
1 onion, finely chopped  
1 carrot, diced  
2 celery stalks, diced  
1 leek, finely sliced  
400g beef mince  
420 can Heinz Boston Bull Mean Beanz  
8 sheets filo pastry  
40g butter, melted

#### Method

Preheat oven to 220oC or 200C fan.  
Heat oil in a large frying pan on medium.  
Cook onion, carrot, celery and leek for 10 minutes, stirring, until soft.  
Add mince and cook on high for 5 minutes, stirring to break up lumps, until brown.  
Add beans and ¼ cup water and season to taste.  
Spoon mixture into a shallow 5-cup ovenproof dish or four 1¼ cup ramekins.

Stack four sheets of filo, brushing with melted butter between each layer.  
Roll up loosely and cut into 1cm strips.  
Repeat with remaining filo sheets and butter.  
Loosen pastry slightly with fingers and place over bean mixture.  
Bake for 10 minutes, until golden and heated through.  
Serve hot.

### Trip Activity Details:

This is a trip for everyone. Camping will be at the Omeo Caravan Park which is a great spot with grass, amenities and fires allowed. Bring your tent, trailer or caravan. Activities for the weekend will be a couple of day trips. One of the interesting day trips which we hope to do is Haunted Stream. The area is a fascinating mining area with several old sites. Driving has varying terrain with a few river crossings along the way but will be easy to medium standard. This will be a great relaxing weekend.

### Trip Activity Details:

I am not sure if this trip should be called a fishing trip or just a sit around all weekend doing nothing trip, but I'm sure there will be one person who dares to bring the fishing rod. Camping this year will be at 8 Mile Flat which is an easy drive. Activities for Saturday will be as previous years. Sunday if energetic enough will be drive a few tracks in the area while making our way home. Should make for a great relaxing weekend.

Is this a definite? No, just getting a list of interested people. There are things happening which I am still not sure about but in reality, to organise a trip like this doesn't take a brain surgeon. I have a journey I would like to take, there is no destination just a date to be completed. Even if I cannot go, maybe someone else is fired up enough to say, "Stuff it, I'll lead this trip".

### Trip Activity Details:

Want to take the next step from the proficiency training and learn more about how to tackle the harder tracks and vehicle recovery. Well this is your opportunity to learn in a safe environment.

We will be focusing on full vehicle recovery using winch recovery equipment and the associated techniques along with how to tackle those harder tracks. We will walk the tracks, talk about what to look out for and the best lines to take, followed by driving these tracks using several different scenarios.

Those members who may have attended a previous advanced training course but want to brush up on your skills are also welcome to come along. You must have completed the proficiency training to take part in Advanced Training.

#### Trip Activity Details:

This is a must do trip for any club member who hasn't attended a training weekend in the past. We will be outlining many of the basic aspects of 4WDing covering a varied terrain including steep rocky tracks & river crossings.

There will be something for everyone in this trip for new and old.

The latest and most up-to-date recovery techniques will be discussed and tested.

Discussions on vehicle setup, recovery gear, Tread Lightly! Principles, and more.

## VFWDC "MOVEMBER"

The VFWDC *Movember* team has been registered so join in for what is a fun event while at the same time raising money for two great causes.

All members participating will be judged at the December meeting so make sure you are there.

The objective of *Movember* is to improve the state of men's health. *Movember* achieves its objective by:

1. Generating awareness surrounding men's health issues, specifically prostate cancer and depression in men.
2. Raising funds for the Prostate Cancer Foundation of Australia and *beyondblue: the national depression initiative* so they may better achieve their goals and improve the state of men's health.
3. Changing the way men think about, discuss, and treat their own health issues.

*Movember* (the month formerly known as November) is an annual charity event held during November.

To register in the VFWDC team just follow these easy instructions.

- Log onto [movember.com](http://movember.com)
- Click – Register, Join A Team
- Enter Captain's Registration Number: 1575106 and Captain's Email  
Address: [ashleymartin@valcor.com.au](mailto:ashleymartin@valcor.com.au)

#### THE RULES

1. Once registered each Mo Bro must start November 1<sup>st</sup> with a clean shaven face.
2. Then, for the entire month of *Movember* each Mo Bro must grow and groom a moustache according to these rules:  
There are no beards.  
There are no goatees.  
A small complimentary growth under the bottom lip is allowed (aka a ticker).

*From the Editor...*

### TRIP REPORTS

As a reminder, the following is an excerpt from the Members Brochure, a copy of which all members receive in their New Members kit:

*"A duty of all VFWDC members is to support the Club's monthly newsletter Free Wheeling. The production of the newsletter is NOT the sole responsibility of the Editor.*

*As members, you should endeavour to make regular contributions of articles, trip reports, etc. This will ensure that the Newsletter provides helpful and informative information..."*

So, with regard to Trip Reports and to make my job just that much less laborious, if you are elected as Trip Scribe (lucky you!) please ensure you include ALL relevant details in the trip report, ie:

- Trip name and date
- Trip leader
- Trip participants and associated vehicle
- If submitting photographs, please provide details, eg name of track, vehicle owner etc.

Thanking you in advance for your co-operation.

## GEMBROOK DAY TRIP

SUNDAY, 21 SEPTEMBER 2008

Trip Leader: Tim Axtell

Today was another of the monthly clean up days at Gembrook Forest organised by James at 3rd Rock 4wd Club; members of Vic Crawlers club were also in attendance.

A large group were found having coffee and donuts when I arrived at the designated meeting spot - BP Longwarry Northside. I thought I was early at 8:20am but Tim had organised for the others to meet at 8:00am, so I was actually late. In attendance were 7 cars, 6 Nissans and a lone Cruiser: Mark and Catherine, Tim and kids, Johan and family, Garry, Shane, Craig and co and myself. Anyway, with the promise of a sunny but windy day, we headed off for Dyers Picnic ground to meet the other clubs. Tim asked if I could lead the group into the designated point as I was familiar with the area.

Familiar, yeah, still took wrong turns, yeah. When we arrived at Gentle Annie Picnic ground, I realised I had taken the wrong fork in the road.

Nevertheless, I led the group up Gentle Annie Tk (Tim's idea) and I was the first casualty. It was quite clear the conditions were not going to allow most of us up and it was not worth trying any further, so we all reversed out. Shane was keen to test it but came with the rest of the group which was diverted down Tea Tree Tk. Now, I did a quick recce last Sunday and came up Tea Tree Tk with my road AT at 40PSI with no problems, but with a little rain on Thursday, the conditions had changed drastically. Again, I was a casualty belled out on the deep ruts. How can you get stuck going down hill?? A quick snatch back from Shane and a little extra forward momentum got me over ok. A little further down, the rear of Craig's car had got little off line and he was deep in a washout. Very deep! His big MT tyres were suddenly turned into slicks.

Craig's dad says "What the..."

Tim came back up the hill to the rescue as it wasn't safe for anyone behind Craig to pass, and quickly had Craig back on track. We continued on and found the 3rd Rock group under the powerlines with Ranger Andy from Gembrook Parks Vic installing some signs.

Before we could discuss too much, Andy had to unhook his trailer and head off briefly to issue some fines to some people who had passed the "No Off Road Driving or Riding" signs and got stuck in a small bog. The guys were obviously peeved at him as the look on their faces when they passed us told the story. Ranger Andy gave us our tasks and we headed off with the map. Our job was rubbish clean up and 1st stop was Nash Creek Camping Ground where we found heaps of trash and a lone camper hidden in the bush. Had we come across Ivan Mallat?? We then had an aborted attempt at Andersons Tk where we only got to the steep section. We all had to turn around which was not too much trouble, the only problems, Tim clipped a big log and Mark reversed far enough into an embankment to chock the exhaust full with mud. We got him to stop the engine straightaway and he picked it all out. We also tried Little Bunyip Tk but it too had been chopped out. We stopped further north under the powerlines for lunch and the little kids did their version of 4wding down a steep section three abreast on a long stick.

After lunch, we were heading for Ash Landing Tk and came across an obviously stolen late model Lancer in the bog. Shane was itching all day and he decided to winch and then drag this Lancer out of the bog to higher ground.

An awesome effort. Continuing up Ash Landing Tk, along the rutted Blue Range Rd and

finally into Bunyip Ridge Tk. We found heaps of trash along the way.

We stopped just near the powerlines to say our good-byes. Some went home via Gembrook, Tim, Craig and I headed back towards Labertouche. I think the temptation was too much for Craig and Tim and they had to go up Rocky Tk. I had to pick up my daughter so didn't stop to see what eventuated.

We were all pleased to see that Craig's diff housing had changed from brightly polished to a slight mud covering. Thanks to Tim for leading and Shane for TEC. A great day was had by all.
