

HUG. SEPT 1980.

PRESIDENT'S REPORT

Well now, I've finally made page 1. Actually I've had enough trouble writting the Association report for the last 12 months.

First off, I would like to thank Brian Langille for providing entertainment at last month's meeting. The football film and a film on Narbethong '79, were well received.

On the subject of entertainment, Tom has something very different in store for us at the next meeting and I for one would not miss it - don't you!!!

Next meeting the committee will consist of 2, due to the others being absent on trips (or so they say) so please support the club by attending.

Congratulations to Denise and Steve and Debbie and Phil on their engagements and weddings. All the best for your futures.

Don't forget the Police Paddocks clean up on the 28th of this month-we need all the help we can get so your attendance would be much appreciated.

Finally I would like to thank everyone concerned in helping with printing this news letter in Andy's absence.

President John

LAST MEETING

On July 29th the Annual Elections were held and below are the results:

PRESIDENT :	J. Thom	TREASURER :	D. Montague
V. PRESIDENT:	P. Rowe	SOCIAL SEC. :	T. Brachna
SECRETARY :	B. Tuck	PUBLIC REL. :	W. Bruce
ASS. SEC :	K. Tuck	COMMITTEE: :	A. Merlo D. Heard

Also the Annual Club effort was drawn and below are the lucky winners:

1st	Engel 39 Litre Fridge	-	Terry Hincks
2nd	Motorist Tool Kit	-	Mike James
3rd	Hand Winch	-	H. Sorensen.

Minutes of last A.G.M. were read by Brian Tuck and Geoff thanked the Committee for their effort over the past year. Wolfgang gave a trip report on the Navigation Trial.

NEXT MEETING

To be held at Dandenong Library on 26th August.

ITS & BITS

Finally found the correct scores to the football match.

Nissan 6. 8.44
Vic 4 x 4 10.11.71

and Brian Tuck scored a point for the opposition, often heard he wanted to kick a Nissan.

The Association is at the moment discussing with the National Parks Service as to the proposal of 13 new National Parks, lets hope things work out favourably. At the meeting some submissions of the new slogans were read out by Geoff Mann - some stopped Geoff in his tracks.

Navigation Trial apparently went without hitch-equal first were:

1st. - K. Brown - P. Rowe and Phil Alder and Debbie Godson.

2nd. - Wolfgang Zander

The above were the only vehicles which competed.

Canoe trip on the 2nd of August did not quite work out as planned. Initially the 14 mile trip was to take about 6 - 8 hours, meanwhile as darkness approached and with one canoe broken in half and abandoned the "Deliverance" crews found refuge in a hut by the side of the river. Next day found them at the destination very relieved I bet. It must of hurt a bit because all their grog for Saturday nite was back at the start. (Note the river has a rating of 6 out of 6 in the Winter months).

On a lighter note - congratulations to Steve Alder and Denise on announcing their coming wedding in October. As well as Phil Alder and Debbie Godson who are planning to marry in the new year.

Dennis Evans' wife Rosalie has recently given birth (Aug. 16th) to a baby girl. Congratulations to all from the Club.

Our N.S.W. member Mike Bell has apparently run into a bit of bad luck and managed to roll his Suzuki. He is also unavailable for Cape York as business in America put a stop to that - never mind Dot.

REMINDER TO ALL MEMBERS THAT THE CLUB FEES ARE NOW DUE AND YOUR PROMPT ATTENTION WOULD BE MOST GRATEFUL.

RATES ARE: \$11.00 Single
\$18.00 Dual
\$10.00 Social

TRIP CLASSIFICATIONS:

- *A* Grade: Extensive use of 4WD. Tracks may be difficult to negotiate. Chains should be carried along with towing slings and anchor points: good winter tread pattern tyres are a must. Trip leader has the right to refuse a vehicle if above points are not met. Types of conditions likely to be met include: steep climbs and descents on all surfaces - rocky, muddy etc., mud and snow, deep river crossings and overgrown tracks. Max. six vehicles.
- *B* Grade: Virtually same conditions as 'A' Grade but track condition is more favourable. Good tyres are a must as well as necessary recovery gear. Max. 10 vehicles.
- *C* Grade: Very limited use of 4WD. These trips include car rallies etc. Type of tyre does not matter and recovery gear not essential. No maximum number of vehicles.

In all above cases vehicles should be in sound mechanical condition and carry the basic spare part requirements as listed in previous Newsletters.

Club Technical Officer is John Lake available on 95-4800 during business hours.

Books available from the club library through Peter Adams at monthly meeting.
Fee 10¢ per month.

Name tags at meeting - failure to do so 20¢ fine.
