Hello and welcome to another year of *Free Wheeling*.

Just a bit of background on me for my first President's Report.

I have been involved in the VFWDC for 12 years; for 8 of those years I have held several Committee positions but this is my first time as President, so I hope to serve you well. The structure of this year's Committee is a mix of longer serving and new members which we believe will bring fresh ideas to help the Club move forward over the next 12 months.

One of the main aims this year will be Trips. We are all members who enjoy the benefits of four wheel driving and the outdoors, and of course sharing these activities with other enthusiasts.

John Partridge is taking up the position of Trip Coordinator and he will be encouraging all members to participate. We plan to hold a Trip Leader's night to assist first-time Trip Leaders, and introduce a buddy system where you would have the assistance of an experienced member to help with all aspects of the trip. We hope this will help to make the trip more enjoyable for you. Leading a trip is very rewarding, so speak to John and start planning.

All members will be receiving a copy of the revised Privacy Policy which we encourage you to complete and return. With email being the main communication for most members, it is important that everyone understands what we do with your information. Please complete the form and return it as soon as possible either by mail or at a meeting.

There are several members who still have not renewed their membership. A reminder letter will be mailed to all non-financial members, so if you wish to continue to enjoy the rewards of the club, please finalise your renewal before the end of September. If you do not wish to renew, a courtesy letter of resignation would be appreciated.

We will have a guest speaker at the September meeting – Katherine Hill who is the Forest Manager for the Erica district. With the recent damage to both O'Tooles Flat and Little O'Tooles, she will talk about how we as a club can assist. As we frequently visit this area it will be good to hear what the issues are and how we may be able to lend a hand.

Thanks to everyone who attended the AGM dinner, it was a great night enjoyed by all.

See you on the next trip – or at the next meeting.

Ashley Martin
President

17th to 19th November - Fishing Trip run by Ashley
25th November - Christmas Party

Full details of trips are in the Newsletter

David gave further details on the Pub to Pub trip and the approximate cost, also requires numbers attending so bookings can be finalised.

ASSOCIATION REPORT:

John Partridge reported that he had sent an e-mail to most club members regarding the Bunyip track closures requesting that as many members as possible write a letter to the Minister complaining about the decisions being made about the area. A meeting on this subject had been organized between the Association and the Minister.

JP has been in touch with ranger Noel Lees, in relation to Little O'Tooles, O'Tooles and Merringtons camping areas being carved up by irresponsible people using the area. It has been suggested that signs be erected in the area and that the club assist in putting the signs in place.

John Partridge has also been in contact with the Ranger for the Toolangi area regarding track closures and damage being done, and offered to assist in the area.

TRIP REPORTS:

Ashley gave a report on the Powelltown trip. Apparently had a good day on a few slippery tracks.

John gave a brief report on the Big River trip. Also very wet, but all had a good time in the area.

GENERAL BUSINESS:

Nil

David then informed the meeting that some nominations for the Committee positions were still required. Nominations received to date were:

President	Ashley Martin
Secretary	Paul Ryan
Vice President	Mark Capper
Treasurer	Vacant

General Committee positions:

John Partridge
Michael Rodger
James Holden

David advised that anyone wishing to nominate for a position should do so immediately.

A short break was then taken.

RAFFLE:

Thanks to Dawn for selling tickets
After the break the raffle was drawn
Ron Camm won a bottle of wine
Peter won the clamps
Ron (again) won the map

David then gave a report on the last 12 months (edited version).

The Club continues to grow and we need to look at our goals and objectives. The longer-serving members don't come along to the Club as much as the "younger" members.
We need to look after Collins Hut as we haven't done much recently and it would be a shame to see the work go to waste. Maybe it would be an idea to set up a Sub Committee to look after the hut.
The Bush Dance has been part of the Club for many years, but recently it has gone by the wayside. We need to look at this issue and one suggestion is to raise the fees to cover the Bush Dance and other activities such as the Christmas Party so that the money is available.
I would like to thank the Committee for their support over the last 12 months, especially when I got crook, and for the help and support I received when it was required. I would like you to give your support to the new Committee because without your support the Club doesn't go far.

The General Meeting closed

ANNUAL GENERAL MEETING

The AGM was then opened by Peter Petrou who thanked the outgoing Committee. As the minutes of the previous AGM were not available they will be presented at a later date. The Treasurer's Report will also be made available at a later date.

Peter then gave a short address about the VFWDC.

The nominations for the new Committee were then read out:

President	Ashley Martin
Secretary	Paul Ryan
Vice President	Mark Capper
Treasurer	2 nominations were received: Craig Major and Rosalie Hughes

General Committee:

John Partridge
James Holden
Michael Rodger
Derek Hymas
Julie Capper

A vote by Financial Members then took place for the position of Treasurer. The majority vote resulted in Craig Major being elected to the position of Treasurer.

Therefore the new Committee of the Victorian Four Wheel Drive Club for 2006/2007 is:

PRESIDENT	Ashley Martin
VICE PRESIDENT	Mark Capper
SECRETARY	Paul Ryan
TREASURER	Craig Major

GENERAL COMMITTEE

John Partridge
James Holden
Michael Rodger
Derek Hymas
Julie Capper

The new Committee was introduced to the meeting and the new President gave a short address.

The meeting closed 10.10pm.

A short video of the Big River trip was shown for those Members who wished to stay behind.

THE NEXT MEETING will be held at Dandenong Library at 8.00pm, Tuesday 5 September 2006.

WANTED!!

LETTERS TO THE MINISTER ON BUNYIP

We have a great chance to have our say
regarding the Minister for Environment choice
on the Recreational Framework for Bunyip
Public Land.

There was no valid reason for the Minister to
close the track of land between Burgees Road
and Black Snake Creek Road.

There have been a few of our Members that
have put pen to paper to voice their concerns,
but I'm sure with a little (very little) effort we
could easily do better.

For more information, have a look at

Trip Activity Details

Time has come for another winery weekend and for something different from previous years. We have decided to visit Nagambie. After meeting at Campbellfield, we will make our way to Plunketts Winery where we will enjoy a few tastings and morning tea. From here we visit Tahbilk for more tasting, followed by lunch on the banks of the river alongside the winery. There is a café there for those who wish to purchase lunch, or bring your own picnic while enjoying the view. Next will be Mitchelton and then 12 Acre Winery. If we have time we will no doubt source a few more.

Accommodation will be at Nagambie Lakes Resort approximately 10km north of Nagambie. The resort overlooks the Goulburn Weir and the Weir wall is within walking distance; tennis courts are available for those feeling energetic.

There is a choice of either a room consisting of 2 single beds and 1 double for \$95.00 or 1 single or 1 double for \$75.00.

Rooms are basic and include linen, fridge and small cooktop/oven.

There are BBQ facilities and a fireplace. The plan for dinner is for everyone to bring a small plate/meal put it on a large table and everyone helps themselves to the smorgasbord while enjoying the purchases from the day.

Breakfast will be bacon and eggs on the BBQ which I will organise and the total will be divided between the group.

Sunday will be a leisurely day and maybe travel a little further north to a couple of wineries in Murchison before returning to Melbourne.

Big River Day Trip - 16th July

Trip Leader	Carissa & Joe Galovic	Nissan

Paul, Michael and I headed out on the Friday night stopping over for a very nice meal at the Healesville Pub. Before long we were off again heading towards Big River Road via Marysville. The easy part was getting there; the hard part was finding a camping spot. You wouldn't have thought it would be hard finding a spot suitable for just three swags would you? In fact it took us nearly 1 ½ hours as all of the spots have been turned into mud baths due to irresponsible people.

Finally we found a place *just* big enough for us. We got the big tarp out to keep us dry whilst we relaxed and about 12.00am Paul got the fire going. It was a very enjoyable night. I woke up to hear Michael giving instructions to the crew heading along the Big River Road. They arrived a tad earlier than we anticipated... Oh well, we didn't need breakfast anyway...

The first interesting track we conquered was Page Track. Carl once again tested his '*leanability*' taking a very interesting line with his right wheels high up on the embankment whilst his left wheels remained in the ruts.

I'm not sure if you would call it courage, but it was certainly amusing watching him take this line at full noise.

Every one else took a more conventional line without any dramas.

We then traversed numerous tracks including Cornhill Track, Boundary Track, and Frenchman's Creek Track before stopping for lunch on the banks of the creek. Shortly after lunch the more adventurous of us, namely Carl, Ashley & Paul veered onto the challenging Short Cut Track No. 1. It is a shortcut in distance only. Some may remember this from a previous 'A Grade' trip. It has some very large ruts on a very steep incline which leads into a nice little rocky section. The rest continued along Frenchman's Track and waited for our thrill seekers at the exit of Frenchman's Spur Track.

Our intrepid leaders then lead us up to the 'one last track', Reefton Logging Road which turned out to be a very steep, loose, rocky track with numerous ledges to negotiate. It was a cracker of a track! I think everyone had accelerated heart beats as they negotiated the steep downhill section. If you tried to steer around some of the rocky sections you quickly found yourself sliding sideways in a very precarious situation. Michael and I were wondering what Tim was up to when he quickly headed towards the tree in the middle. As we were to find out, Tim had accidentally knocked his truck out of gear and was able to bring it to a stop just short of the tree. After assessing the situation I guided Tim down a loose rock ledge after which was a straight forward run to the bottom. A few others needed a bit of guidance and before long we were all at the bottom breathing a sign of relief. It's amazing how far we can go with level heads and bit of knowledge from our driver training courses. After a few more interesting moments on a very boggy section of track we were all airing up our tyres ready for the trip home.

A very big thank you to Joe and Carrissa for a very enjoyable trip. This was their first trip as trip leaders and their preparation showed, with numerous options available depending on weather conditions and level of confidence of participants.

The AGM Dinner

"Good On Ya Award"

A fun part of the AGM Dinner is the presentation of the "Good On Ya" award.

This is an award that I started up last year as an excuse to bring up some of the more memorable and funny moments that often happen on a trip. How many times have you been out in the bush and you have thought... Good on ya?

Last year we had 2 recipients, and very worthy ones at that. Joe received his for his part in the Wonnangatta Roast that we held. As Ashley was checking on the roasts and turning them over, he found that Joe's roast still had the cling wrap on it!! Luckily the camp oven wasn't too hot at that stage and the plastic hadn't melted... "Good on ya Joe!"

Ashley won his for the sheer number of axe handles he has managed to split instead of firewood. On one trip Carl got out his fibreglass wood splitter saying 'even Ashley can't break this one'... famous last words, it only took two swings!! "Good on ya Ashley"

We had some honourable mentions this year. There was Tim for knocking his 4wd out of gear as he was going downhill. But I ruled him out of contention. If we gave out awards for silly things done when starting out I would have a showcase full. Then there was Derek, who travelled all the way to Dargo from Cams Top Place and back to get rid of his rubbish only to find it still sitting in the back of the truck. I guess he didn't make it passed the pub? Of course it wouldn't be the same if we didn't have a nomination for Ashley. On a recent recce trip to Mt Cole, Ashley got his chainsaw out to cut some timber for the camp fire only to find out that there was no chain on it!

But this year's winner got over the line as he had 2 nominations. One for trying to direct Paul to the camping ground without realising that, not only was Paul already there, but he was actually parked right behind him. The second nomination was from when his compressor was playing up. Ashley offered to pump them up for him only to find that Michael had driven around in front of the wrong vehicle. He then had to hop back in, drive around the camp site again to get back to where Ashley was parked!

Good on Ya Michael!
For your outstanding efforts

AGM Dinner

Saturday 12 August 2006

Present:

Table 1: David & Rosalie, Ray & Dawn, Gary & Paula, Ian & Liz

Table 2: Anthony & Aline, Mark & Julie, Brian, James & Kathryn, Gary & Charlotte

Table 3: Paul & Maxine, Michael & Verylle, Ashley & Lesley, John, Craig

Table 4: Pat & Ann, Steve & Jill, Carl & Terry, Mark Kochan

As you all know, the AGM Dinner was once again held at the Mulgrave Country Club. Despite the fact that numbers were significantly diminished this year, everybody appeared to enjoy the evening. The food was plentiful, the beverages flowed, the room was abuzz with chatter and laughter.

Newly-elected President, Ashley, said a few words, and then the raffle was drawn.

Winners were:

Lesley Peters
Ryobi Blower Vac

Verlyle Rodger
Melbourne Map Centre \$100 Voucher

Dawn Brown
Mixed Dozen Bottles of Wine

Steve Boyle
Portable Gas Stove

Gary
Nutrimetics

John presented the "Good on ya Award" – Michael being the winner of the inaugural trophy.

Thanks to Paul for organizing the evening. Hopefully next year we will see a better turnout for what really is our annual club event.

THE END OF THE BATTLE...TREAD LIGHTLY GOES QUIETLY

In 1989 motoring writers Ian Glover and Brian Woodward attended a release of the Range Rover in the USA and were introduced to Tread Lightly! USA. They both came to the conclusion that this was the sort of thing that Australia needed to handle the ever increasing issue of dialogue with land management. For some time before this, Jan Scudamore and her husband Ivan had been thinking along similar lines, so when Messrs Glover and Woodward returned to Australia the idea began to take shape.

The Scudamores embraced the Tread Lightly concept with enthusiasm from that point onward, and Brian Woodward agreed to take on the job of Chairman. The first corporate sponsor at the time became Land Rover Australia, and the future for the fledgling organisation was looking rosy. Jan Scudamore recalls; "We really believed that in order to achieve a viable future for recreational land use, there had to be a united representation body that wasn't hamstrung along club lines." She continues, "The only way to do this was to put together a professional lobby group, and to do that we needed the support of the industries involved."

Brian Woodward in his address to the first National Congress told those attending; "It is quite possible that the 4wd companies could well become the tobacco industry of the 21st Century, and end up paying for the damage their products created in the past." Strong words perhaps, but Brian Woodward seldom backed away from a challenge.

Tread Lightly! went on to operate with a large pool of private members, and a goodly number of corporate members such as Overlander Magazine and many of their advertisers but unfortunately never gained the full support of the 4WD manufacturers who would have had much to gain from being involved. While Jeep Australia had been a Corporate Sponsor for a while, was a far cry from the situation in the USA where Chrysler Jeep backed it 100%.

And so today, after 15 years Jan Scudamore has decided to close the shop on something she and Ivan had invested most of their time and no small amount of personal funds in. The recent passing of her husband Ivan was undoubtedly a time of great difficulty for Jan and quite possibly the point at which this immensely dedicated woman began to believe she was fighting a losing battle, despite the efforts of numerous board members and volunteers.

"I think there's another factor here as well," she says. "The Tread Lightly message could even be close to irrelevant today. People are far more environmentally aware than ever before." Going on to cite the changes in attitudes of four wheel drivers to the bush, she added. "I still believe that there will always be a need for a lobby group to cover everyone not just the 4wd people and bike riders, it just won't be me."

So after all those years of riding out to do battle with the bureaucrats, Jan Scudamore will find life a little quieter, just don't write her off yet.

OXFAM AUSTRALIA CHRISTMAS TREE PROJECT

This is to inform and to remind clubs who have helped in recent years that the deliver dates this year are **Saturday 9th and Sunday 10th December.**

Volunteers carry out the whole operation. Last year nearly \$84,000 was raised, that's about \$480 per delivery vehicle, and went towards alleviating poverty and social injustice within Australia and overseas. **That's a total of over \$55,000 raised by members of Victorian Four Wheel Drive Clubs.**

We ask for drivers, navigators and vehicles that can carry 8 to 25 freshly cut trees, with or without a trailer. Many 4WD clubs have found this a fun activity that makes a considerable contribution to the larger community in which we live.

We meet at the Scout Hall, Pakenham Street, Blackburn (Melway Map 47 H 12) on Saturday 9 December, or Princes Hill Primary School, Wilson Street, North Carlton (Melway 29 J 11) on Sunday 10 December. On Saturday we deliver to the south and eastern side of Melbourne and on the Sunday the north and western side. You pick the area you would like to deliver the trees, and the day and time (**before 11am**) you arrive at the depot. We give you a very well organised list of addresses with Melway grid references, all in close proximity to each other. All you do is drop off the tree that has already been paid for. The smiles you receive from the younger recipients would be second only to that of them greeting Santa Claus. It will take each team 1 to 3 hours, and we encourage you to meet for a BBQ or social get together before or afterwards.

Brian Moran is still in search for the right person to take over the coordination role he has done for the last 14 years. So if you have some spare time in the second half of the year and would like to take on a challenge that has a significant impact for those less fortunate in this world, please give Brian a call on 94973227 or email briangum@tpg.com.au.

The pay doesn't exist but the rewards gained from raising \$84,000, seeing 2500 happy customers and dealing with such generous drivers like yourselves is enough to keep you on a high until it all rolls around again, 11 months later).
