News From The President

Hello and welcome to the October issue of our Club Magazine.

Hopefully the worst of the cold weather will be behind us as we look forward to the warmer months when we enjoy most of our off road adventures.

As a family, Carolyn, Samuel and myself are eagerly looking forward to the trips that we already have planned for October and November - and are also thinking about December and January. I hope that there are others in our club that are thinking likewise. In the month of October, we have the working bee trip planned to Aberfeldy track, as Rudi has sourced all the materials required to build a footbridge at the half way point of the track, and we are required to haul the materials from the start of the track to where we will be installing the footbridge. Once that is completed we will walk down the remainder of the track and do any further maintenance that is required on the track.

For those that are planning to come along, most people will be leaving very early in the morning with me and heading up for an early start on the Saturday, as Rudi has other plans and will be eager to head off on other exploration. As we will be planning an early day, I will be heading down to O'Tools for a relaxing afternoon with my family and other club members for the remainder of the day and plan to camp overnight coming home on Sunday after a late breakfast.

On the cover this month is a photo of your truly at the recent Camping, Fishing and 4wd show at the Melbourne Showgrounds. I stumbled into a couple of people that are well and truly recognised by 4wd'ers in Australia and was given permission to use the photo in our magazine. So my thanks to Graham and Shaun for posing with me at the show. I also managed to get their autographs on Samuel's shirt that he has been collecting autographs on for the past 3 or 4 years. Even has our own John Partridge autograph on the shirt ...

For the October meeting, I shall need to give my early apologies as I have family commitments in Brisbane for a nieces wedding and shall leave the monthly club meeting in the safe hands of our Vice President, Sally. In November, we still have our club meeting booked at ARB in Dandenong and will not be meeting at our usual place in Noble Park - just remember, the November meeting is the SECOND Wednesday of month, not the FIRST Wednesday.

If you are planning to come to visit our club for the first time - please don't be shy and come up to the front and introduce yourself to any of the committee members, We would love to meet you.

That's enough waffling from me for now, otherwise there won't be anything left for me to say at the meeting.

Looking forward to seeing you at our meetings, or on a trip.

David Bruinsma
