PRESIDENT'S REPORT

Happy New Year!

I hope that you managed to have a break over the festive season and even snuck away for time out in our fabulous country. With 2020 now all but a weird memory of not leaving the house much, seeing everyone on a screen and trying to come up with different ways to stay engaged with our members, we can now look forward to 2021. While we still have to stay COVID safe and aware we can now start getting back out on the tracks and doing what we love. We are also now able to get back to face to face meetings! There will be some restrictions but we will make the most of being able to meet and have a coffee and a chat.

We have already had 2 trips this year. One a relaxing stay on the beach by the mighty Murray and another exploring the high country around the Nunniong Plains. I was lucky to be on this trip to take some money to the communities who had been hit by the bushfires last year and to witness the enormity of the burn. The positive thing to see though was the communities were bustling with people - queues at the bakery, and the bush was coming alive with lots of regrowth, the cackle of the kookaburra and plenty of animals and insects around. The insects did like biting me though!

Your committee has had its first meeting for the year where we talked about what went well for last year and what we can learn from. Our club was extremely resilient, we tried out new technology, new ways of communicating, we had guests to our meetings and we managed to issue a club magazine every month (thanks Mary for pulling them together). We even managed to attract some new members. Welcome to the club!

To our new members, I look forward to meeting you face to face and I hope that you enjoy the trips that will soon start happening. To our existing members, thank you for your continued support and willingness to adapt to different circumstances.

We are planning a number of trips and would love your input into where you want to go and we will help you run the trips as well so we can really make the most of the outdoors. Our first meeting will be dedicated to planning some trips for the year. I cannot wait to hear about the places people want to explore and learn more about.

Here is to a great 2021 and I will see you out on the tracks!

Sally

CLUB MERCHANDISE

New top for summer season.
T-Shirts, Vests, Light jackets—plenty of stock available. Order now ready for your next trip.

PRICES

VICTORIAN FOUR WHEEL DRIVE CLUB

COVID-Safe Plan

This COVID-Safe Plan ("the Plan") has been developed to support Victorian Four-Wheel Drive Club in essence, to safely reopen, hold and/or sanction club gatherings.

Objective: To maintain a COVID-Safe environment whilst remaining compliant with public health directions.

The COVID-Safe Plan is grouped into four COVID-Safe principles. These include:

1. Ensure physical distancing
2. Wear a face covering
3. Practise good hygiene
4. Contact tracing

1. Ensure physical distancing

You must remain 1.5m apart as much as possible.

- Minimising the build-up of people waiting to enter and exit shared facilities and maintain 1.5m apart if forming a queue
- There is no more than one member and/or visitor per four square meters of publicly available space indoors
- Ensure outdoor social gatherings/overnight camping locations accommodate social distancing limiting contact
- Informing all participants to follow current public health directions when carpooling.

2. Wearing a face covering

All members, family members, partners and visitors attending an indoor meeting place must wear a face covering as per public health advice. Lawful exemptions recognised.

Face covering: mandatory indoors, unless an exemption applies. Include settings such as public transport, including when waiting at stations, ride shares, hospitals, care facilities and shopping.

- Face masks not required outdoors except where physical distancing cannot be maintained, such as farmers' markets and other outdoor retail.
- Requirement to carry masks at all times.

The Club, Committee and Trip Leaders will also:

- Provide guidance on how to correctly fit, use and dispose of face covering
- Inform participants that cloth masks should be washed each day after use. However, if during the day the mask is visibly dirty or wet, the mask needs to be washed immediately.

3. Practise good hygiene

Indoor meetings

- Attendees encouraged to regularly wash their hands. If soap and water is not available, alcohol-based hand sanitiser to be used (hand sanitiser will be made available at indoor meetings).
- Shared spaces to be frequently cleaned and disinfected including high-touch communal items such as doorknobs and handrails.

- Enhancing airflow by opening windows and doors.
- Single serve sachets, cups and condiments to be provided

Outdoor gatherings/camping

- Participants encouraged to regularly wash their hands. If soap and water is not available, alcohol-based hand sanitiser to be used (participants are expected to provide their own soap and water and/or alcohol-based hand sanitiser).

General:

- Do not shake hands or make physical contact with others
- Cough into elbows or a tissue
- Put used tissues straight into the bin, wash and/or sanitise hands immediately
- Avoid touching eyes, noses or mouths
- Do not share food or drink
- Practice strict hygiene when preparing food

4. Contact tracing

Do not attend meetings or participate in social gatherings and/or trips if you are feeling unwell or experiencing even the mildest symptoms.

Records of all attendees and participants to be kept for contact tracing.

Indoor meetings

- Attendance list to be made available to record name and contact details.
Information to be held by club secretary.

Outdoor gatherings/camping

- Contact tracing record to be collected by the trip leader and returned to the club secretary at the conclusion of the trip.

Contingency plan to manage any outbreaks.

This includes but not limited to –

- Secretary to identify and notify close contacts in the event of a positive case attending or participating in a club sanctioned activity during their infectious period.
- Secretary to engage with facility management and arrange to have site isolated and cleaned in the event of a positive case.
- Secretary to contact DHHS and notify the actions taken, provide a copy of contact details of any close contacts

I have read the VFWDC COVID-Safe Plan and commit to the objectives of the Plan for the duration of my attendance and/or participation in any club sanctioned gathering.

Signed: _____ Date: _____

Nunniong Plains

Trip Report

22nd to 26th January 2021

By Maree Bowker

Participants:

Des (Trip Leader)	Patrol
Shane & Jenny	Colorado
Michael & Sam	Triton
Sally & Tristan	Disco
Audrey & Ian	Patrol
Maree & Stuart	79 Ute

Friday 22 January

The discussion had been about the merit of leaving before the rush hour exit on a long weekend and the decision to meet at the Bruthen Hotel for dinner was the plan hatched. Well worth the extra effort. Through Ensay

which has camping on the riverbank but our final destination being Bentley Plains camping area. This provided a hut, drop toilet and rotunda all in really good condition.

Saturday 23 January

Nunniong Plains here we come with names like Saw Pit Road, Tea Pot Creek track with Blue Hill in the middle being 1332m high we got a feel for just how vast this area is. We challenged the 4x4 gears to up hills and down again, and as expected the bottom produced a river crossing. The other activity was chopping a tree or two that stopped us but there was a number of chain saws that all got a work out.

Finally stopping at Native Dog camping area, the water was a bit light on but the fire was roaring and the days tracks were analyzed with a few cold beverages.

Sunday 24 January

Overnight we heard the wild brumbies and the walk to the toilet in the morning showed just how many there was to see. The foals provided comic relief as they played and laid down in the sunshine, so lucky to see them so close. We found others hiding in the bush but not as photo friendly as this lot.

Heading off down Native Cat track and heading to Mundy Plains and the helipad for a view of the escarpment, you can only wonder how many hills you see in the distance, they go on and on and on.

We visited the Nunniong hut and Hunter huts, we started to drive on the black soil plains, but it was just a bit boggy and we used the alternative higher ground tracks, it would be really easy to get lost as there are roads going in all directions and not always marked on the maps, thanks to Des our fearless leader we found our way out of the maze.

The fires have destroyed much of the undergrowth, but the trees are showing signs of regeneration. It's hard to image how hot it must have been as the charred remains of the forest shows trees over 20m high fully burnt. Finally camping at the foot of Mt Stewart

A disco on the discovery trail.

Monday 25 January

Leaving Mt Stewart camping ground we climbed the track to the top 790m and looked out over the valley, well worth the rock steps to stand at the top.

Best bit according to Stuart no walking required, and Des took the credit for this achievement, next adventure was waterfall hunting and we found two.

Tristan at the waterfall.

Thanks to all who attended it was fun and a big thanks to Des for the planning and execution of another great trip.

Happy Australia Day 2021

Maree and Stuart

Being as the weather prediction was very hot over 40° C we headed to the Timbarra river to find a spot to cool off by the river. We chose Timbarra Central camping ground and it offered easy river access and plenty shady space. The afternoon was spent in the river with the temperature not disappointing the forecast hitting 43.5° C on our fridge temperature gage. A few cold beverages were consumed, and stories told of adventures past.

Tuesday 26 January

We packed up because the skies looked black and rain was in the air, heading back to Bruthen to the bakery for a morning tea stop. Everyone agreeing it was a great weekend and there is so many other tracks in this area to explore.

WHAT HAVE YOU GOT TO SELL

Members can advertise any four wheel drive or camping related items they wish to sell or buy.

Just email the Editor, editor@vfwdc.com, with the following:

1. Description of the item
2. Price
3. Contact details
4. Photos (highly recommended)

GOOD-ONYA TROPHY

The Good-Onya Trophy is a great way to recognize members for their unique contributions.

Once a month club members have the opportunity to vote for their most worthy nominee.

The winner will be presented with this most prestigious club trophy at the monthly general meetings.

Send a quick summary to trips@vfwdc.com

Have fun on the tracks!

Editor's Note

Thank you to the Committee and to all the members who have contributed to the magazine. Without your contributions we wouldn't have a publication.
